

# ASPIRE Collaborative Meeting

Henry Executive Center

July 14, 2023 9:00 AM - 3:00 PM

---

## Description

ASPIRE Collaborative brings together professionals in the state of Michigan to discuss quality measures and improvement. This activity will provide physicians the tools to identify and treat postpartum hemorrhage. Additionally, this activity will lead to more physician engagement and implementation of anesthesiology quality improvement measures. After this activity, participants will appropriately manage intraoperative blood pressure Choose the correct vasopressor during surgery Implement measures to address gaps in organizational performance Utilize anesthesiology quality improvement measures implemented in 2022-2023.

## Target Audience

This activity is appropriate for:

*Administrators, Nurses, Other Healthcare Professionals, Physicians*

In the fields of:

*Anesthesiology*

## Learning Objectives

At the end of this activity, participant should be able to:

1. Understand how MPOG Web Case Viewer can be utilized in quality improvement
2. Learn how other institutions use MPOG Quality Improvement to improve patient care at their institution
3. Appropriately manage intraoperative blood pressure
4. Understand the relationship between intraoperative hypotension and outcomes
5. Identify how to choose the correct vasopressor during surgery
6. Discuss opportunities to improve anesthesia care by assessment of outcomes and processes of care

## Accreditation and Credit Designation

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification in Anesthesiology™ program and MOCA® are registered trademarks of The American Board of Anesthesiology®. This activity offers up to 4.75 CME credits, of which 3.50 credits contribute the patient safety CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, [www.theABA.org](http://www.theABA.org), for a list of all MOCA 2.0 requirements.
