MSQC & ASPIRE Collaborative Meeting

April 21, 2023

Michigan Union

April 21, 2023 8:00 AM - 3:00 PM

Description

The April MSQC/ASPIRE Collaborative meeting brings surgeons and anesthesiologists together from across the state to hear presentations from speakers on a variety of topics that will address these knowledge gaps. We will host an interactive panel discussion on screening for antibiotic allergy. The Keynote speaker will focus on the benefits of shorter hospital stays for patients and the elements that have been added to ERAS protocols. After participation in this activity participants will be able to do the following:

- Utilize the benefits of day surgery for colorectal resections for the patient, the hospital, and the healthcare system.
- Demonstrate how digital technology can facilitate patients' early discharge from the hospital.
- Identify best practices in screening for antibiotic allergy before surgery

Target Audience

This activity is appropriate for:

Administrators, House Officers, Medical Students, Nurse Practitioners, Other Healthcare Professionals, Physician Assistants, Physicians

In the fields of:

Anesthesiology, Surgery, Transplant Surgery

Accreditation and Credit Designation

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of *4.25 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification in Anesthesiology[™] program and MOCA® are registered trademarks of The American Board of Anesthesiology®. This activity offers up to 4.25 CME credit, of which 3.25 credit contributes to the patient safety CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology[™] (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.
