

Quality Improvement: MOCA_® Part IV Attestation Guide

MOCA Part IV Provider Feedback Program

- Eligible providers enrolled in the MOCA[®] Part IV MPOG Provider Feedback program can attest to reviewing their flagged cases in order to earn MOCA[®] Part IV credit.
- Through the MPOG Provider Feedback emails, providers can click on a MOCA[®] link that will direct them to an attestation page.
- Each month, providers must attest to reviewing at least 5 flagged cases across the selected measures (or all flagged cases if total is less than 5).

MOCA Part IV Provider Feedback Program

- To earn the full five (5) points per measure, providers review and attest 12 times (one attestation per month x 12 months) to work towards improvement for each selected measure.
- A maximum of 25 points can be earned upon completion of the 12th attestation in an 18-month period.

MOCA Part IV Provider Feedback Program

- MPOG will communicate the number of points received as well as final scores to the individual before attesting to the American Board of Anesthesiology (ABA) on the provider's behalf.
- For more information on MOCA[®] Part IV, please visit the MOCA page on the MPOG website <u>https://mpog.org/quality/moca/</u>

ELIGIBILITY

Providers must already participate in MPOG's provider e-mail feedback program through their institution.

FEES

Enrollment fees: \$250 per provider. Fees are paid upon enrollment. The fees are non-refundable and are used to cover administrative costs to maintain the MPOG MOCA program.

For departments interested in enrolling multiple providers (> 50 providers) simultaneously, please contact the Coordinating Center

CHOOSE 5 MEASURES

Providers can select a maximum of five measures and will receive five points per measure. To receive the full five points per measure, the provider must examine failed cases for each elected measure and attest to reviewing their performance feedback report for 12-months. **Please note:** Providers have 18-months to complete 12 attestations.

ATTESTATION

The provider attestation will begin the month following enrollment*

CERTIFICATION

Once the provider has completed 12 attestations, MPOG will calculate the total number of points to be awarded and send the information to the ABA. The certification will added to the provider's report in their ABA portal.

Getting Started

 Begin the MOCA[®] Attestation process by clicking the link in the upper right corner of your MPOG Provider Feedback Email:

Hello John Doe,

Below is your new MPOG Quality performance report. For a case-by-case breakdown of each measure's result, click on the graph's label and you will be taken to our reporting website (login required).

If you have any questions, please read our <u>FAQ</u> or send them to <u>QIChampion@mpog.org</u>. Thank you for your participation in MPOG Quality.

Sincerely, The MPOG Team

Attestation Steps

- Once you have logged into MPOG, you will be directed to your personal Attestation MOCA[®] Part IV ASPIRE Provider Feedback Activity.
- From here, you can review the auto-populated flagged cases for each selected measure for a specific month.
- The MPOG Quality Measures you selected for MOCA[®] credit will display (see next slide for example)

To the right of each measure, you will find a link to the MPOG Measure Specification. Simply click 'View measure specification' as shown below to view complete measure specification details.

Your monthly attestation is complete! Your attestation period is from **November 2022** to **April 2024**. See your MOCA progress below.

MOCA Countdown	
Attestations Complete	2
Attestations Remaining	10
Remaining Months in Attestation Period	14

<u>Note</u>: To earn 5 points per measure, the provider must review flagged cases for each selected measure and complete 12 attestations within an 18-month period. Providers can earn 5 points per measure for 5 measures, totaling 25 points.

- To earn the full five (5) points per measure, providers must review and attest a total of 12 times.
- A maximum of 25 points can be earned upon completion of 12 attestations in an 18-month period.
- MPOG will communicate the number of points received as well as final scores to the individual before attesting to the American Board of Anesthesiology (ABA) on the provider's behalf.

Attestation time period is limited!

- The goal of this program is to improve care by reviewing cases each month and modifying practice as needed based on continuous feedback.
- For this reason, attestations **must** be completed by the end of the following month.
- A reminder email will be sent out one week before the attestation time period ends.
- The attestation period cannot be extended. Providers have 18 months to complete 12 attestations to accommodate missed attestations.

Example:

If provider feedback emails including February case data were distributed on Wednesday, March 15, all MOCA attestations for February cases must be completed by April 30th.

Providers can track their overall progress towards completing the MOCA program by accessing the status page at <u>https://mpog.org/moca/</u>

The ASPIRE MOCA Part IV Status page displays an individual's overall progress with the program.

Months with completed attestations show as green, missed months show as red, and upcoming attestations as gray.

A total of 18 months are visible in the timeline beneath the summary grid but only 12 must be green to complete the program.
