Collaborative Meeting Participation: ASPIRE Quality Champion and Anesthesiology Clinical Quality Reviewer (ACQR) combined attendance at meetings. Three total meetings with six opportunities for attendance.	The ASPIRE Quality Champion (or a designated representative who must be an anesthesiologist) and the Anesthesiology Clinical Quality Reviewer (ACQR), combined, must attend ASPIRE Collaborative meetings in 2025-26. There are three total meetings with six opportunities for attendance: <ol style="list-style-type: none"> <li>1. MPOG (Multicenter Perioperative Outcomes Group) Retreat: Friday, October 10, 2025</li> <li>2. MSQC (Michigan Surgical Quality Collaborative) / ASPIRE Meeting: Friday, March 13, 2026</li> <li>3. ASPIRE Collaborative Meeting: Friday, July 17, 2026</li> </ol>
Attend ASPIRE Quality Committee e-meetings: ASPIRE Quality Champion or ACQR attendance across six meetings.	There will be six Quality Committee e-meetings in 2025-26. One representative (ASPIRE Quality Champion or ACQR) must attend the following 2025-26 meetings: <ol style="list-style-type: none"> <li>1. Monday, November 24, 2025</li> <li>2. Monday, January 26, 2026</li> <li>3. Monday, February 23, 2026</li> <li>4. Monday, May 18, 2026</li> <li>5. Monday, July 27, 2026</li> <li>6. Monday, September 28, 2026</li> </ol>
ACQR/ASPIRE Quality Champion perform data validation, case validation and submit data by the 3rd Wednesday of each month for January - November and by the 2nd Wednesday of the month for December. Data must be of high quality upon submission with >90% of all high priority and required diagnostics marked as 'Data Accurately Represented.'	Maintenance Schedule located on MPOG website in the resources tab of the quality section. Data must be of high quality upon submission, >90% of all 'High Priority' and 'Required' diagnostics marked as 'Data Accurately Represented.'
Site Based Quality Meetings: Sites to hold an onsite in-person or virtual meeting following the three ASPIRE Collaborative meetings to discuss the data and plans for quality improvement at their site.	The site is expected to schedule a local meeting either in-person or virtually following each ASPIRE collaborative meeting (see Measure #1 for dates) to discuss site-based and collaborative quality outcomes with clinical providers at their site. Sites must send the Coordinating Center the site-based collaborative meeting report located on the MPOG website in the P4P sub tab of the Michigan hospitals tab of the quality section.

If the performance threshold is not met, Coordinating Center will assess 12-month average score for October 1, 2025 – September 30, 2026 and compare to 12-month average score for October 1, 2024 – September 30, 2025. Coordinating Center will assign points based on either absolute percentage point improvement or relative performance improvement, prioritizing the method that results in the highest number of points to be awarded.</p>
<p>Perioperative Hypothermia (TEMP 03): Percentage of cases requiring general or neuraxial anesthesia for whom a body temperature <math>\geq</math> 36 degrees Celsius (or 96.8 degrees Fahrenheit) was not recorded within 30 minutes before to 15 minutes after anesthesia end time. <p>Site Directed Measure: Site chooses a measure they are performing below threshold for a process measure or above threshold for an outcome measure to improve for the year. (Cumulative score October 1, 2025 through September 30, 2026)</p>	<p>Sites will choose a measure where performance is above the ASPIRE threshold for inverse (outcome) measures (5 or 10%) or a process measure with performance less than threshold (90%) that needs improvement. Sites must submit their current measure score (August 1, 2024 through July 31, 2025) to the Coordinating Center by Friday, September 12, 2025, for review and approval. Measure selection form is located on the MPOG website in the P4P sub tab of the Michigan hospitals tab of the quality section.
