**Subject:** Scheduled Continuing Review [ CR00096741 ] Approved for [ HUM00024166 ]

**SUBMISSION INFORMATION:**

**Study Title:** Multicenter Perioperative Outcomes Group and Anesthesiology Performance Improvement and Reporting Exchange - Data Coordinating Center (UM IRB of Record for some sites)

**Full Study Title (if applicable):**

**Study eResearch ID:** [HUM00024166](#)

**SCR eResearch ID:** [CR00096741](#)

**SCR Title:** HUM00024166\_Continuing Review - Mon Nov 7 07:50:34 EST 2022

**Date of this Notification from IRB:** 11/21/2022

**Date Approval for this SCR:** 11/17/2022

**Review:** Expedited

**Expiration Date:** Approval for this application expires on **11:59 p.m. on 11/16/2023**

**UM Federal Assurance:** FWA00004969 (For the current FWA expiration date, please visit the [UM HRPP Webpage](#))

**OHRP IRB Registration Number(s):** IRB00000244

**Approved Risk Level(s) as of this Continuing Report:**

Name	Risk Level
HUM00024166	No more than minimal risk

**Continuing Review Required:** Yes

**NOTICE OF IRB APPROVAL AND CONDITIONS:**

The IRBMED has reviewed and approved the scheduled continuing review (SCR) to the study referenced above. The IRB determined that the proposed research continues to conform with applicable guidelines, State and federal regulations, and the University of Michigan's Federalwide Assurance (FWA) with the Department of Health and Human Services (HHS). You must conduct this study in accordance with the description and information provided in the approved application and associated documents.

**APPROVAL PERIOD AND EXPIRATION:**

The approval period for this study is listed above. Please note the expiration date. If the approval lapses, you may not conduct work on this study until appropriate approval has been re-established, except as necessary to eliminate apparent immediate hazards to research subjects. Should the latter occur, you must notify the IRB Office as soon as possible.

**RENEWAL/TERMINATION:**

The IRB has determined that annual review and approval is required for this research. At least two months prior to the expiration date, you should submit a continuing review application either to renew or terminate the study. Failure to allow sufficient time for IRB review may result in a lapse of approval that may also affect any funding associated with the study.

**IMPORTANT REMINDERS AND ADDITIONAL INFORMATION FOR INVESTIGATORS**

**APPROVED STUDY DOCUMENTS:**

You must use any date-stamped versions of recruitment materials and informed consent documents available in the eResearch workspace (referenced above). Date-stamped materials are available in the "Currently Approved Documents" section on the "Documents" tab.

**AMENDMENTS:**

All proposed changes to the study (e.g., personnel, procedures, or documents), must be approved in advance by the IRB through the amendment process, except as necessary to eliminate apparent immediate hazards to research subjects or others. Should the latter occur, you must notify the IRB Office as soon as possible.

**AEs/ORIOs:**

You must inform the IRB of adverse events (AEs) and other reportable information and occurrences (ORIOs) according to your IRB's required reporting timetable ([IRBMED](#) and [IRB-HSBS/Flint/Dearborn](#)).

**UNANTICIPATED PROBLEMS INVOLVING RISKS TO SUBJECTS OR OTHERS (UPIRSOs or UaPs)**

Investigators must continue to inform the IRB via eResearch submission of any potential Unanticipated Problems (UaPs or UPIRSOs) that come to the attention of the study team. Unanticipated Problems meet all of the following criteria:

1. **Unexpected** (in terms of nature, severity, or frequency);
  2. **Related or possibly related to participation in the research;** and
  3. Suggests that the research places subjects or others at a **greater risk of harm** than was previously known or recognized.
- See [U-M HRPP Operations Manual Part 12.III.B.1.a](#). Routine AEs and ORIOs after Termination need not be reported.

**SUBMITTING VIA eRESEARCH:**

You can access the online forms for continuing review, amendments, and AE/ORIO reporting in the eResearch workspace for this approved study, referenced above.

**MORE INFORMATION:**

You can find additional information about UM's Human Research Protection Program (HRPP) in the Operations Manual and other documents available at: <http://research-compliance.umich.edu/human-subjects>.
