## Patient Partnership Leadership Center

- Patient & Caregiver Engagement Working Group is meeting
- The next Patient Partner Panel meeting is June 28th
- Intake form for any working group or Center needing Patient Panel feedback has been developed with the goal of it being completed and documents (if applicable) distributed and shared with the Patient Partner Panel 1-week prior to their scheduled meeting, link here: [THRIVE Patient Partner Panel Feedback Request Form](https://mpog.org/thrive-info/)
- The Patient Partner Handbook & onboarding survey has been completed distributed to all THRIVE Patient Partners

## THRIVE Team Member Spotlight - Mary Politi

Congratulations to THRIVE team member Mary Politi, Director of the newly launched Center for Collaborative Care Decisions. The Center’s mission is to improve the quality of health decisions and promote health equity by engaging patients and the public using clear communication, quality evidence, and patient-centered goals of care. Find out more about the Center here: [Center for Collaborative Care Decisions](https://mpog.org/thrive-info/)
Emerging & Relevant Literature

**Pain, Analgesic Use and Patient Satisfaction - REGAIN**: pragmatic randomized trial examining postoperative pain after hip fracture surgery with spinal versus general anesthesia

**Central vs Local IRB Approval - REGAIN**: this study compares the turnaround time from institutional review board submission to approval using a centralized vs local IRB approval process

---

**Timeline**

---

**In the works!**

- THRIVE working groups are meeting to operationalize different aspects of the THRIVE trial - you may be invited to participate on one or more groups
- This newsletter is in the process of being transitioned to MailChimp sometime this summer. The goal will be to streamline content development and distribution.
- The patient-facing website’s relevant domain names have been acquired

---

**Suggestion Box**: tell us the kinds of updates you would like to receive!
