Providers must already participate in MPOG's provider email feedback program through their institution.

## FEES

Enrollment fee of \$250 must be paid upon enrollment. This fee is **non-refundable** and is used to cover administrative costs to maintain the MPOG MOCA program.

## CHOOSE 5 MEASURES

Providers can select a maximum of five measures and will receive five points per measure. To receive the full credit, providers must complete 12 attestations and attest to the program for a minimum of 18-months to receive credit.

Enroll at <https://mpog.org/moca/>

## ATTESTATION

The provider attestation will begin the month following enrollment\*

## CERTIFICATION

Once the provider has completed 12 attestations, MPOG will calculate the total number of points to be awarded and send the information to the ABA. The certification will be added to the provider's report in their ABA portal.

\*The attestation window has been expanded due to COVID-19 for any provider that had an attestation period ending between May 2020 through December 2020. Impacted providers will receive an automatic 4 month extension to complete the 12 attestations in 22 months rather than 18 months.
