MOCA® Part IV Attestation Guide

MOCA® Part IV Provider Feedback Program

Eligible providers enrolled in the MOCA® Part IV MPOG Provider Feedback program can attest to reviewing their failed cases in order to earn MOCA® Part IV credit. Through the MPOG Quality emails, providers can click on a MOCA® link that will direct them to the attestation page. Each month, providers must attest to reviewing the auto-populated failed cases for each of their selected MOCA® measures. To earn the full five (5) points per measure, providers review and attest to 12 feedback emails and show improvement or maintain performance above threshold for each measure. A maximum of 25 points can be earned upon completion of one 12-month period. MPOG will communicate the number of points received as well as final scores to the individual before attesting to the American Board of Anesthesiology (ABA) on the provider's behalf.

For more information on MOCA® Part IV, please visit the MOCA page on the MPOG website <https://mpog.org/quality/moca/> or [Click here for enrollment](#)

Getting Started

1. Begin the MOCA® Attestation process by clicking the link in the upper right hand corner your MPOG Provider Feedback Email:

[Claim MOCA® Credit](#)

Hello John Doe,

Below is your new MPOG Quality performance report. For a case-by-case breakdown of each measure's result, click on the graph's label and you will be taken to our reporting website (login required).

If you have any questions, please read our [FAQ](#) or send them to QIChampion@mpog.org. Thank you for your participation in MPOG Quality.

Sincerely,
The MPOG Team

Your Performance vs All Other Attendings

12/1/2017 to 12/31/2017

2. After being directed to the MPOG/ASPIRE Login page, enter your User Name and Password:

Attention: To earn 5 points per measure, the provider must review failed cases and complete the attestation form once per month for 12 months. In addition to reviewing cases, providers must maintain quality measure performance above threshold or show improvement between the 1st and 12th performance feedback email. Providers can earn 5 points per measures for 5 measures, for a total of 25 points.

By clicking the acknowledgment button below, I attest that I have reviewed this month's failed cases.

[Yes, I've reviewed my failed cases.](#)

- To open the case(s) listed under each measure, click the **Open** button to view case details. You will also notice your performance measurement for the selected measure in the top right corner for each measure.

▼ Measure #2: Train of Four Taken (NMB01) Your Initial Score: 94.34% Your Current Score: 94.34%

- If you notice a red triangle in the intraoperative notes section of MPOG Case Viewer, you can hover over the area to display specific note details.

Time	Note
13:31	Patient in Facility
08:23	Assigned PreOp
08:45	Anesthesia Machine Checked
08:45	Equipment verified
09:14	Room Ready
09:14	Pre-Anesthesia evaluation completed and discussed with Attending
09:14	NPO status confirmed to be > 6 hours for solids; > 4 hours for breast milk; and > 2 hours for clear liquids
09:14	Patient identified, chart reviewed, status unchanged from preoperative evaluation
09:14	Anesthesia Start
09:14	Existing Site - Right Single Lumen Standard.
09:19	Patient In Room
09:22	PRIOR to Induction/Initiation of Anesthesia a VERIFICATION was conducted with active participation of ANES, OR Nursing, and the Surgeon/Proceduralist using the Pre-Induction Verification Checklist
09:24	Anesthesia Induction End
09:26	2 L/Min O2 administered via nasal cannula
09:26	EtCO2 sampling catheter applied
09:26	Skin temperature probe checked and value noted
09:27	Preop antibiotic delayed / NOT administered: Not indicated by surgeon
09:28	Patient positioned Left lateral decubitus

The screenshot shows the MPOG Case Viewer interface. On the left is a table of notes with columns for 'Time' and 'Note'. On the right is a sidebar with a graph for 'SpO2 %' and navigation buttons for 'Ventilator', 'Neuromuscular blockade', 'Medications', and 'Fluids'. A red box highlights a 'Note Detail' tooltip that appears over a red triangle in the notes table, displaying the text: 'Note Detail: Physiologic Monitoring - Temperature probe location / type: Skin'.

- To the right of each measure you will find a link to the MPOG Measure Specification. Simply click 'View measure specification' as shown below to view complete measure specification details.

The screenshot shows the MPOG Measure Specification page for 'Measure #2: Train of Four Taken (NMB01)'. It displays 'Your Initial Score: 94.34%' and 'Your Current Score: 94.34%'. Below this is a table titled 'Last Month's Failed Cases' with columns for 'Case Viewer', 'MPOG Case ID', 'Date of Service', 'Procedure', 'Attending(s)', and 'CRNA/Resident(s)'. A red box highlights the 'View measure specification' link in the top right corner of the table.

- After you have reviewed failed cases for the month, you will click the acknowledgment button below, attesting that you have reviewed the month's failed cases.

[Yes, I've reviewed my failed cases.](#)

- To earn the full five (5) points per measure, providers must review and attest to 12 feedback emails and show improvement or maintain performance above threshold for each measure. A maximum of 25 points can be earned upon completion of one 12-month period. MPOG will communicate the number of points received as well as final scores to the individual before attesting to the American Board of Anesthesiology (ABA) on the provider's behalf. Upon data submission, MPOG will request the \$150 payment from the enrolled provider.
