- CEO's and Administrators from 72 Participating Hospitals

Speakers

Topics planned for the CME activity do not relate to products or services (e.g. drugs or medical devices consumed by or used on, patients) of an ACCME-defined commercial interest. Therefore, the planners and speakers have no relevant financial relationships to disclose.

Learning Objectives

After attending this activity, participants will understand and be able to implement into daily practice:

- Aspects of care for quality improvement and cost savings
- Organizational factors that affect quality improvement
- How Anesthesia and Surgery work together
- Hospital Measures to improve Surgery
- Anesthesia and Patients
- Patient Education prior to surgery
- How Surgeon Specific Reporting can be helpful
- How performance measures are useful
- How to implement practice improvement and change
- Performance Improvement in General Surgery
- How Collaboration improves patient outcomes

Accreditation and Credit Designation:

Michigan Medicine Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Michigan Medicine Medical School designates this live activity for a maximum of 4.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CME credit may be used by nurses for re-licensure
