## CME Information

### Target Audience:

- Surgeons, Physicians;
- Clinical Nurse Reviewers;
- Quality Representatives;
- CEOs and Administrators from Participating Hospitals

### Speakers

*Topics planned for the CME activity do not relate to products or services (e.g. drugs or medical devices consumed by or used on, patients) of an ACCME-defined commercial interest. Therefore, the planners and speakers have no relevant financial relationships to disclose.*

### Learning Objectives

After attending this activity, participants will understand and be able to implement into daily practice:

- Aspects of care for quality improvement and cost savings
- Organizational factors that affect quality improvement
- National and strategic priorities to inform surgical practice
- How Anesthesia and Surgery work together
- Hospital Measures to improve Surgery
- Strategies for improving surgical patients' outcomes
- How to improve patient education in Opioid Use
- Opportunity to improve practice through data analysis
- Patient Education prior to surgery
- Variables to measure and track, trend and stimulate quality improvement
- How performance measures are useful
- How to implement practice improvement through change
- Performance Improvement in General Surgery
- How Collaboration improves patient outcomes

### Accreditation and Credit Designation:

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 5 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

\*CME credit may be used by nurses for re-licensure
