

AGENDA for 11/24/2015 ASPIRE meeting

Approval of minutes

Review development progress on developed measures to date:

- 1) NMB 01
- 2) NMB 02

Update on quality measure tool

- 1) Plan for late January deployment
- 2) Available to small group at each site – quality improvement director and probably one other person
- 3) Account to be set up by ASPIRE
- 4) Each MPOG/ASPIRE site that is already contributing data will have access to:
 - a. Report that includes aggregate performance per site
 - b. Report that compares site performance with performance of all institutions
 - c. Report that compares performance of individuals within a site
 - d. Report that lists failures with Case IDs
 - e. Tool that allows download of report tables.
- 5) Each MPOG/ASPIRE site that is already contributing data MAY be able to
 - a. Link to web-based view of Case Viewer for ability to investigate failures
- 6) Sites will NOT be able to automatically “push” reports to individual practitioners.

Update on website and forum
