ASPIRE Virtual Collaborative Meeting

Friday, July 17, 2020

Agenda

9:00 – 9:25	**MPOG Business and Updates** Nirav Shah, MD Kathryn Buehler, MS, RN, CPPS MPOG
9:25 – 9:45	**Anesthesia Considerations & Precautions for Ramp Up of Operations following COVID 19 Peak Pandemic** Gary Loyd, MD Henry Ford Health
9:45 – 10:15	**Why Diversity Matters** Matthew Wixson, MD Michigan Medicine
10:15 – 10:30	**Break**
10:30 – 12:00	**Performance Review** Nirav Shah, MD Mike Mathis, MD Douglas Colquhoun, MB ChB, MSc, MPH MPOG

ASPIRE Virtual Collaborative Meeting

Friday, July 17, 2020

Target Audience

- Anesthesiologists
- Nurses
- Researchers
- Clinicians
- Quality improvement staff
- Technical staff

Speakers / Planning Committee:

- Meridith Bailey, MSN, RN
- Kathryn Buehler, MS, RN, CPPS
- David Clark
- Douglas Colquhoun, MB ChB, MSc, MPH
- Sachin Kheterpal, MD, MBA
- Mike Mathis, MD
- Victoria Lacca, MBA
- Nirav Shah, MD
- Brooke Szymanski, MSN, RN, CPN
- Michelle Vaughn, MPH

Topics planned for the CME activity do not relate to products or services (e.g., drugs or medical devices used on or by patients) of an ACCME an ACCME-defined commercial interest. Therefore, the planners and speakers have no relevant financial relationships to disclose.

Learning Objectives

After this meeting, participants will be able to:

- Understand the hospital operations and safety impact of returning to full operative case scheduling following the peak of the COVID-19 pandemic and be able to utilize learned skills in future practice.
- Give examples of specific approaches to promote efficient perioperative workflow patterns with resumed operations following the peak of the COVID-19 pandemic.
- Give examples of specific approaches to ensure patient safety with resumed operations following the peak of the COVID-19 pandemic.
- Understand the impact that social determinants of health may have on clinical and patient-reported perioperative outcomes and be able to utilize learned skills in future practice.
- Discuss opportunities to provide equitable perioperative care to patients across diverse socioeconomic and racial backgrounds.
- Compare patterns of performance in process of care and outcome measures between participating institutions
- Identify strategies which have been used by other organizations to improve performance against external measures
- Understand and implement anesthesiology quality improvement measures developed in 2019 – 2020
- Understand, identify, and effect needed changes for current process measures to be optimized for anesthesia subspecialties.

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of *3.0 AMA PRA Category 1 Credit(s)™.* Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity offers up to 3.0 CME credits, of which 2 credits contribute the patient safety CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.
