

ASPIRE Virtual Collaborative Meeting

Friday, July 16, 2021

Target Audience

- Anesthesiologists
- Nurses
- Researchers
- Clinicians
- Quality improvement staff
- Technical staff

Speakers / Planning Committee:

- Meridith Bailey, MSN, RN
- Kathryn Buehler, MS, RN, CPPS
- David Clark
- Douglas Colquhoun, MB ChB, MSc, MPH
- Allison Janda, MD
- Sachin Kheterpal, MD, MBA
- Mike Mathis, MD
- Victoria Lacca, MBA
- Nirav Shah, MD
- Brooke Szymanski-Bogart, MSN, RN, CPN
- Michelle Vaughn, MPH

Topics planned for the CME activity do not relate to products or services (e.g., drugs or medical devices used on or by patients) of an ACCME or ACCME-defined commercial interest. Therefore, the planners and speakers have no relevant financial relationships to disclose.

Learning Objectives

After this meeting, participants will be able to:

- Understand specific definitions and management strategies for postpartum hemorrhage to improve patient outcomes.
- Recognize and treat postpartum hemorrhage.
- Compare patterns of performance in process of care and outcome measures between participating institutions.
- Identify strategies which have been used by other organizations to improve performance against external measures.
- Understand and implement anesthesiology quality improvement measures developed in 2020 – 2021.
- Apply quality improvement initiatives in their local setting.
- Understand, identify, and effect needed changes for current process measures to be optimized for anesthesia subspecialties.

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 2.75 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity offers up to 2.75 CME credits, of which 2.5 credits contribute to the patient safety CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology[™] (MOCA[®]) program, known as MOCA 2.0[®]. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Maintenance of Certification in Anesthesiology[™] program and MOCA[®] are registered trademarks of The American Board of Anesthesiology[®]
