

## ASPIRE Collaborative Meeting

Friday, July 15, 2022

Henry Center for Excellence - Michigan State University, East Lansing, Michigan

Wifi: MSU Guest Network; accept terms

### Target Audience

- Anesthesiologists
- Nurses
- Researchers
- Clinicians
- Quality Improvement Staff
- Technical Staff

### Speakers / Planning Committee:

- Meridith Bailey, MSN, RN
- Kathryn Buehler, MS, RN, CPPS
- Douglas Colquhoun, MB ChB, MSc, MPH
- Allison Janda, MD
- Sachin Kheterpal, MD, MBA
- Mike Mathis, MD
- Victoria Lacca, MBA
- Ronnie Riggan
- Nirav Shah, MD
- Michelle Vaughn, MPH

ASPIRE Collaborative brings together professionals in the state of Michigan to discuss quality measures and improvement. This activity will provide physicians the tools to identify and treat postpartum hemorrhage. Additionally, this activity will lead to more physician engagement and implementation of anesthesiology quality improvement measures. After this activity, participants will appropriately manage intraoperative blood pressure, choose the correct vasopressor during surgery, implement measures to address gaps in organizational performance, and utilize anesthesiology quality improvement measures implemented in 2021-2022.

Topics planned for the CME activity do not relate to products or services (e.g., drugs or medical devices used on or by patients) of an ACCME an ACCME-defined commercial interest. Therefore, the planners and speakers have no relevant financial relationships to disclose.

### Learning Objectives

After this meeting, participants will be able to:

- Understand how MPOG Web Case Viewer can be utilized in quality improvement
- Learn how other institutions use MPOG Quality Improvement to improve patient care at their institution
- Appropriately manage intraoperative blood pressure
- Understand the relationship between intraoperative hypotension and outcomes
- Identify how to choose the correct vasopressor during surgery
- Discuss opportunities to improve anesthesia care by assessment of outcomes & processes of care
- Compare patterns of performance in process of care and outcome measures between participating institutions
- Identify strategies which have been used by other organizations to improve performance against external measures

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity offers up to 4.5 CME credits, of which 1.5 contribute to the Patient Safety CME component of MOCA 2.0<sup>®</sup>. Please consult the ABA website, [www.theABA.org](http://www.theABA.org), for a list of all MOCA 2.0 requirements.
