

ASPIRE Account & Access to Individual ASPIRE Dashboards

Activation of ASPIRE Account

On the same day you receive your first provider feedback email, you will also receive an ASPIRE Activation Email prompting you to setup your ASPIRE account. If you do not receive this email or you are experiencing difficulty accessing your ASPIRE account, please contact your site's Quality Champion or Anesthesia Clinical Quality Reviewer (ACQR).

Individual ASPIRE Dashboard Access

There are two methods for accessing your Individual ASPIRE Dashboard to review cases; through the Dashboard Login via the MPOG website and also through your Personalized MPOG Quality Performance Report (sent via email). Your MPOG Quality Performance Report is sent via email at the end of each month and includes data from the previous month's cases. For example, the September email will include August performance data.

Accessing your Individual ASPIRE Dashboard via the Dashboard Login through the MPOG website:

1. Go to the MPOG website <https://mpog.org/> and click on the blue Dashboard Login icon in the upper right corner of the website. You will be directed to the ASPIRE Login. Sign in using your ASPIRE username (institution email address) and password. You need to create this password using the activation email sent separately. Contact your site quality champion if you did not receive the email to establish your account.
